

WINE LIST

We have endeavoured to select the finest examples - at a range of price points - of wines from all over the world for your enjoyment. We are here to take you on an international journey through the wines of M. Our list includes wines from the world's most renowned producers as well as small, independent wineries and hand-crafted wines. Many of these offerings are exclusive to M.

If you would enjoy a complimentary, bespoke wine tasting at your table, or would like to visit our Enomatic machines at our tasting table upstairs, please let us know and we will be delighted to create a unique wine experience for you.

Alternatively, if you would like us to create a flight of wines to accompany your dining experience, it would be our pleasure. Finally, we have over 100 wines by glass, with 50 classical options along with a further 50 rare and exclusive wines you can enjoy by the Coravin or our Enomatic wine tasting machines.

A wide selection of these wines are also available from our online Wine Store.

Please visit mrestaurants.co.uk/wines

Enjoy!
