

# NOT FOR SALE

## M IS NOT FOR SALE

Welcome to our pop-up dining experience with a difference, aimed at generating funds and awareness for **Not For Sale**, our global charity partner and an organisation that works to end human trafficking and exploitation through funding self-sustaining social projects in six continents. We have created a menu based around these continents and pledge to donate 100% of profits from this dining experience to the charity.

### VIETNAM

Not For Sale Vietnam rescues and offers care, shelter and education to street boys targeted by traffickers in Hanoi, then goes on to provide a future through long-term educational training and job development programmes.

### YELLOW FIN TUNA TARTARE

Rice Paper | Herb Salad |  
Ponzu Dressing

### UNITED STATES

Not For Sale Bay Area Program: a program to prepare and place disconnected youth (18-24) affected by trafficking or exploitation into traineeships and placements in the Bay Area's local businesses and booming industries.

### BUTTERMILK CEREAL CHICKEN

Watermelon | Pickles |  
Lime Mayo

### NETHERLANDS

Not For Sale Netherlands provides a culinary training for survivors or at-risk women at our social enterprise Dignita, an all-day brunch café. We conduct high standard culinary training for survivors of trafficking in three specific market-based courses. About 50 young women a year complete the training.

### PAN FRIED BRILL

Crispy Courgette Flowers |  
Macadamia Nut Puree

### UGANDA

Not For Sale Uganda: a project to offer housing, education and support to 500 young adults and children vulnerable to trafficking and exploitation.

### SLOW COOKED SPICED LAMB SHOULDER

Sweet Potato | Pickled Chilli

### PERU

A scholarship program which provides housing, school fees and supplies to vulnerable children, the creation of six school community gardens and the provision of artisan training and support in the small business creation of marketable trades for hundreds of Amazonian women. In 2017, NFS made progress to fight against chronic child malnutrition in the Amazon through the installation of a clean water system to the school for children.

### MANJAR BLANCO PARFAIT

Port Meringue | Citrus Shortbread
