#### SUSTAINABLE STEAKS

As part of our roadmap to becoming Net Zero, we have partnered with climate experts Klimato to calculate our carbon footprint to ensure we offset 100% off our beef offering. While we work to reduce our carbon footprint at source, we have partnered with the 'Not For Sale' charity to support carbon offsetting reforestation projects in the Amazon, taking local people out of the danger of modern-day slavery.

### THE WORLD'S BEST BEEF

A discerningly curated selection of the finest steak available on the planet. Choose from expertly matured cuts of Wagyu and Kobe, selected for their provenance, excellence in flavour and world-leading animal husbandry. Other collections from Somerset, England; Stirling, Scotland; Cedar River Farms, Southwest USA; and Kobe Prefecture, Japan, have been hand-picked by experts for this elite selection of M-grade beef.
