Our standard spirit measure is 50ml. 25ml measures are available on request. Our standard measure for a glass of wine is 175ml. 125ml measures are available on request. Our standard size for a bottle of wine is 750ml.

Please be advised that all our food is prepared in an environment where allergens are present. We will take every reasonable precaution when preparing your food, but there is the risk of potential cross contamination of allergens. The allergen information identifies the known prescribed allergens within our dishes including if a dish 'may contain' an allergen. Please let us know if you have any allergies or intolerances including those additional to the core 14. The term 'May Contain' is used to highlight where an allergen is not in a recipe or intentionally in a dish, but where the manufacturer of an ingredient believes that cross-contamination may still be at risk. All prices include VAT and a discretionary 14% service charge will be added to your bill.
